

"Please come again soon! Please ... promise!"

It's so hard to say good-bye. Sheila gazes back at her friends waving and shouting across airport barriers: Vijay, Kavita, Dara, Sukesh... their faces gentle with love, saddened in farewell. "Three months I have spent here, working and eating, living and laughing with them. Three months, and my life will never be the same again! I came expecting to serve and invest and teach, and instead I was served and received and learned."

It's so hard to say good-bye. For a long time, Kavita watches Sheila's retreating figure. "Three months she has been one of us. For three months she gave us her time, her talents, her love... All the way from her rich country she came to us! She taught us so much - our ministry will never be the same again!"

service and spend a week, a month,
or a year in volunteer ministry!**

South Asia...

... exotic bazaars in India ... snow-capped mountains in Nepal ... peaceful tea plantations in Sri Lanka ... rushing rivers in Bangladesh ... enchanting music in Pakistan ...

Experience the magic of South Asia ... behold the misery in some of the world's poorest nations ... witness the hope rekindled in faces full of despair ... and make a difference in the lives of many that have never heard about the love of Christ!

Invest your talents ... don't bury them in the ground!

Your dedicated labor and witness will contribute to a ministry that transforms people's lives spiritually and socially on a sustainable, long-term basis. Your investment will matter not only today but will endure past tomorrow!

The experiences only last a lifetime, but the rewards are eternal!

South Asia needs YOU!

... if you are a nurse, doctor, or teacher
... if you have IT or office management skills
... if you are a businessperson or manager
... if you have practical skills (e.g. carpentry)
... if you have a heart for the lost and a desire to share God's love with people who have never heard the good news

Don't miss this opportunity of transforming hundreds of lives - including your own!

Enjoy the blessing of serving others ... gather experiences that will last you a lifetime ... make new friends across the globe ... establish a renewed, Christ-like outlook on life ... invest your talents and gain many more ... and share in the Master's happiness!
